Quality Control

1. Qualified Materials
All materials sourced from qualified suppliers, do test according to client's requirement if needed

2. QC Procedures
Strict QC procedures are conducted throughout the entire production process, from material inspection to finished product inspection to ensure product quality.

3. Quality Guarantee
We guarantee the quality.

Our Value

- Create value for customer
- Achievement sharing with our staff
- Win-win with our partners

How to Order

Step 1. Submit your logo artwork & info.
Navigate through our various style catalog, select the cap from our website, select the one that suits your preferences and submit your logo artwork with information on fabric, color, size, etc.

Step 2. Confirm details
Our professional team will submit digital mockup to you with suggestions, ensure providing the design exactly what you want

Step 3. Pricing
After finalizing the design, we will calculate the cost and send the price for your final decision

Step 4. Sample Order
Sample will be proceeded once price and sample fee approved. Sample will be sent for your approval once finished. It normally takes 15 days for sampling, Your sample fee will be refunded if order is over 300+ pieces of the sampled style.

Step 5. Production Order
After you decide to go ahead a Bulk Production Order, we will issue Proforma Invoice for you to arrange 30% deposit. Normally production time is approximately 6 to 7 weeks depending on the complexity of your design and our current schedules.

Step 6. Let us do the rest work!
Sit back and relax while our staff will be closely monitoring each step of your order manufacturing process to ensure that you are getting exactly what you ordered

Step 7. Shipping
Our logistics team will contact you a few days before your goods are due to be completed to confirm your delivery details and offer you shipping options. As soon as your order has passed final inspection by our quality inspector, your goods will be shipped out immediately and tracking number provided.
